

## TERMS AND CONDITIONS

### GENERAL TERMS AND CONDITIONS OF AESCULAP ACADEMIA, UK

#### 1. REGISTRATION

Please complete and return the registration form, ensuring that all payment details have been completed. Payment must be received no later than 4 weeks prior to the course. If payment is not received we reserve the right to allocate your place to another delegate.

#### 2. CANCELLATION BY THE DELEGATE

A full refund will be given for all events cancelled no later than 4 weeks prior to the event date. After this time and up to 14 days before the date of the event, we will offer to offset the value of the event against another Academia event, or for refunds an administration charge of 10% of the event fee will be made. For cancellations that are made between 14 and 7 days before the date of the event we reserve the right to charge half the participation fee. The full participation fee will be payable for cancellation after this period and for non-attendance.

#### 3. EVENT CONTENT

We reserve the right to change the event content, the venue or location and/or the faculty at any time. However, we make every effort to ensure that all events run as advertised.

#### 4. CANCELLATION OF THE EVENT

We reserve the right to cancel/reschedule the event, at any time. Cancellation notices will be sent to the email address or number given on the registration form and receipt will be assumed unless evidence of non delivery is received. A full refund of event registration fees (only) will be made to participants who are unable to attend on the rescheduled date. Aesculap Academia will not accept liability for any other loss, damage, costs or expenses incurred by the Delegate as a result of the cancellation/rescheduling of the event, including without limitation: professional fees or other earnings and costs.

#### 5. DATA PROTECTION

With your registration you confirm to your personal information being recorded for the purpose of event administration and to receive information on future events from Aesculap Academia.

If you wish to be removed from our database please send an email to: [academia.bbmuk@bbraun.com](mailto:academia.bbmuk@bbraun.com).

#### 6. HEALTH CONCERNS

Please inform us if you have any existing health conditions or dietary requirements we should be aware of.

Please return completed form to (please use block capitals):

## INFORMATION

### AIMS

This two day meeting held in conjunction with BAHNO, aims to provide the practical indications for and the evidence base underpinning novel treatments and techniques that have recently entered into clinical practice or are about to enter it, at centres of excellence world-wide, so that practicing head and neck clinicians can consider and assess the relevance of these treatments to their patient populations. The meeting also aims to review and present the latest evidence in the management of uncommon and difficult conditions, and provide a forum for discussion of these challenging cases.

### SESSIONS INCLUDE:

- Improving outcomes for recurrence patients
- Cancer and the immune system – What every MDT member should know about the role of the immune system in cancer
- Management of complications and late effects of surgical and non-surgical treatments
- Management of elderly patients with head and neck cancer
- Emerging areas of practice - Immunotherapy, TORS for occult primary, narrow band imaging

### TARGET AUDIENCE

This two day meeting is aimed at practising consultants, senior trainees and practising allied health professionals of all specialities in the field of head and neck, including clinical and medical oncologists, ENT surgeons, maxillofacial surgeons, plastic surgeons, CNSs and AHPs.

### COURSE DIRECTOR

Professor Hisham Mehanna  
Institute of Head and Neck Studies and Education,  
University of Birmingham

### ORGANISING COMMITTEE

#### UNIVERSITY OF BIRMINGHAM

Paul Nankivell, Birmingham  
Neil Sharma, Birmingham  
Anthony Kong, Birmingham

#### BAHNO

Ceri Hughes, Bristol  
Cyrus Kerawala, London  
Bernie Foran, Sheffield

The Aesculap Academy is one of the leading medical forums for everyone who is professionally, passionately and ambitiously committed to people's health. To those medical professionals we offer top quality knowledge transfer based on globally recognized quality criteria using innovative methods and technologies.

### DIALOG – DEDICATED TO LIFE.

The Aesculap Academy has its roots in the company B. Braun, which has been protecting and improving people's health for more than 175 years. With our courses, hands-on training and symposia we help to honour our parent company's promise of SHARING EXPERTISE.

The courses at the Aesculap Academy offer participants who want to continue to learn in an inspiring environment, knowledge transfer and teaching that are adapted to real life: lifelong learning, true-to-life training situations and realistic content for a better life for patients and medical staff.

## CONTROVERSIES IN THE MANAGEMENT OF HEAD AND NECK CANCER

Wednesday 15th – Thursday 16th May 2019

The Royal College of Physicians, London

BAHNO

UNIVERSITY OF BIRMINGHAM

Inhanse  
Institute of Head and Neck  
Studies and Education  
[www.inhanse.org](http://www.inhanse.org)

CPD  
to be  
approved

## PROGRAMME\*

WEDNESDAY 15<sup>TH</sup> MAY 2019

09.00 Registration, refreshments and exhibition

### IMPLICATIONS OF CHANGES IN TNM 8<sup>TH</sup> EDITION

10.00 Implications of TNM 8 changes for the surgical oncologist (OPC pTNM and oral clinical TNM)

10.15 Implications of TNM 8 changes for the radiation and medical oncologist

10.30 Discussion

### EMERGING AREAS OF PRACTICE

10.45 **Keynote: Indications for proton therapy in head and neck cancer – An update**

11.15 An evidence based approach for the investigation and management of occult carcinoma of unknown primary

11.30 Sentinel node update – The UK experience

11.45 **Keynote: Supracricoid and supracricotracheal laryngectomy – Indications and contraindications in routine clinical practice**

12.15 Management of challenging cases – Larynx and hypopharynx

13.30 Lunch and exhibition

### PREVENTING AND TREATING COMPLICATIONS

14.15 Enhanced recovery intra and post operatively for surgical patients

14.30 Human factors in the treatment of HNC

14.45 Prophylactic swallowing exercise programmes pre chemoradiotherapy – Why, when and how?

15.30 Prevention of osteoradionecrosis

15.45 Treatment of osteoradionecrosis

16.00 Discussion

16.15 Management of challenging cases – Oral, sinus and salivary disease

17.45 Close of day 1

PLEASE TAKE ADVANTAGE OF THE EARLY BIRD RATES, VALID UNTIL MONDAY 18<sup>TH</sup> MARCH 2019.

\*Programme subject to change

## PROGRAMME\*

THURSDAY 16<sup>TH</sup> MAY 2019

08.30 Refreshments and exhibition

### ADVANCES IN HPV POSITIVE HEAD AND NECK CANCER MANAGEMENT

09.15 Patients with equivocal PET scans post CRT – Neck dissection or not?

09.30 The role of circulating DNA in the surveillance of HPV positive head and neck cancer recurrence

09.45 The use of p16 for treatment selection – Could we be harming our patients?

10.00 Discussion

10.15 Management of challenging cases – Oropharyngeal and occult primary

### IMPROVING OUTCOMES FOR ELDERLY PATIENTS

11.45 Models for selection for treatment in the elderly patients

12.00 Optimising elderly patients for head and neck cancer treatment – The GOLD clinic

12.15 Surgical treatment of head and neck cancer in elderly patients – Patient selection

12.30 Palliative radiotherapy for elderly patients – Why, when and how?

12.45 Discussion

13.00 Lunch and exhibition

### IMPROVING OUTCOMES FOR RECURRENCE PATIENTS

13.45 Better selection for patients for salvage surgery

14.00 Practical tips and tricks for improving outcomes of salvage surgery

14.15 Improving outcomes and patient selection for re-irradiation for head and neck cancer recurrence

14.30 The role of Boron Neutron Capture Therapy (BNCT) therapy in the treatment of head and neck cancer recurrence

14:45 **Keynote: How can we balance rising costs with the need for new treatments**

15.15 Discussion

### CANCER AND THE IMMUNE SYSTEM – WHAT EVERY MDT MEMBER SHOULD KNOW

15.30 Immunotherapy in head and neck cancer – Current evidence and future indications

15.45 Precision medicine – Utility of clinical and biomarker predictors of response for selection of immunotherapy in HNC

16.00 **Keynote: Tips and tricks for the management of adverse events and complications of immunotherapeutic agents**

16.30 Management of challenging cases – Recurrence and older patients

17.30 Close

## INVITED FACULTY

### INTERNATIONAL SPEAKERS
